

Morinville E-Services

How to perform a Property Search

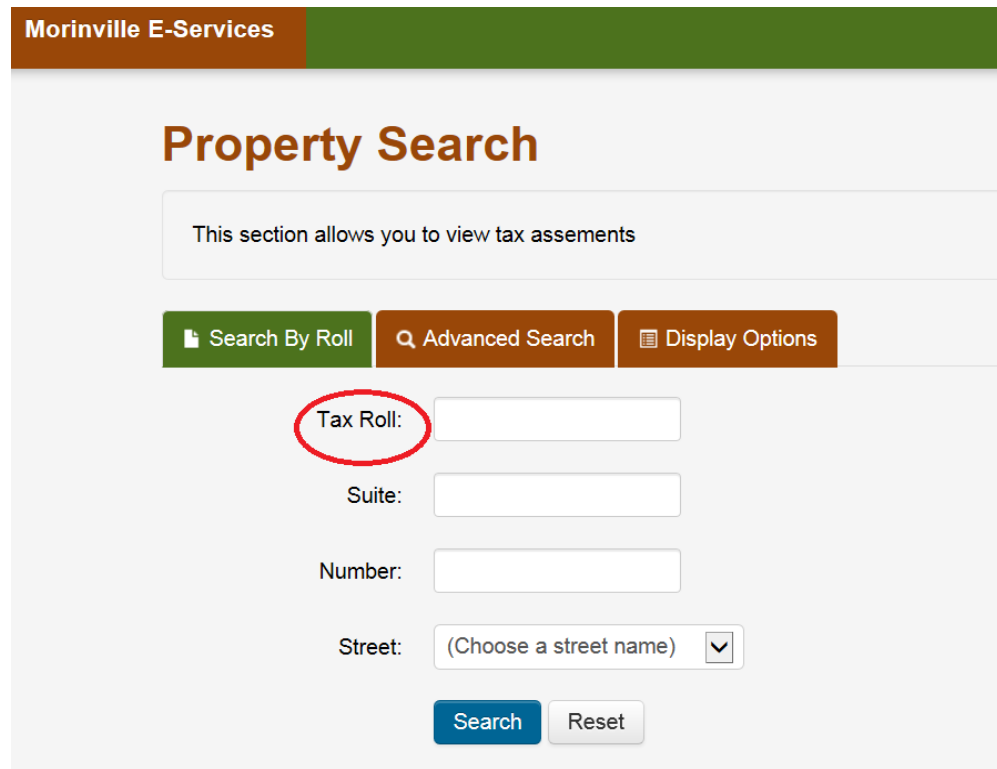

An online Property Search will provide the current and historic Assessment value for a property.

Additional Property Tax information including levies, roll numbers, account balances, title, mortgage holder, legal address and tax certificates can be obtained once signing into your online E-Services account. Please contact Town of Morinville office at 780-939-4361 for more information if required.

Property Tax Assessments can be viewed in a number of different ways. The following is a overview of the “Serach by Roll” and “Advanced Search” methods to perform Property Searches and the results that will be displayed when searching. These searches can be performed without creating an online E- Services account.

Search By Roll

1. **Tax Roll** – Enter the Tax Roll number and click “Search”

The screenshot shows the 'Morinville E-Services' header in a green bar. Below it is the 'Property Search' section with a subtitle: 'This section allows you to view tax assements'. There are three tabs: 'Search By Roll' (highlighted in green), 'Advanced Search', and 'Display Options'. Under the 'Search By Roll' tab, there are four input fields: 'Tax Roll:' (circled in red), 'Suite:', 'Number:', and 'Street:' (with a dropdown menu showing '(Choose a street name)'). At the bottom are 'Search' and 'Reset' buttons.

2. **Civic Address** – Enter the full civic address and click “Search”.

Please note – The “Street” drop down menu contains a complete listing of all streets and / or avenues in our database, including inactive accounts. Our best practice for assigning addresses in our current accounting system is to use the full name of a specific address with no abbreviations and / or symbols. For example – “AVENUE” or “STREET” vs. Ave, ST., *, etc.

Display 50 properties maximum

Display 8 records per page

Once your Search criteria has been input, click "Search".

The following information will be initially displayed:

The screenshot shows the Morinville E-Services interface. At the top, there is a header with "Morinville E-Services" on the left and a green bar on the right. Below the header, the main heading is "Property Search Results". Underneath this heading, a light gray box contains the text "This section allows you to view tax assements". The main content area displays a "Tax Roll 21000" entry. The entry includes the address "10125 100 AVENUE" and the plan/lot information "Plan RN8, Block , Lot 54,55,OT". A button labeled "Assessment Inquiry" with a document icon is located below the address information and is circled in red.
